

HHHS is committed to recruiting and maintaining first rate registered volunteers who provide essential services in our community and support our clients and patients and staff throughout Haliburton County.

HHHS will achieve this standard by screening their volunteers, by providing ongoing training, by having a friendly, accessible, and responsive volunteer program, and staff that appreciate and understand the value of their volunteer coworkers.

There are numerous opportunities at HHHS to share your passion, your skills and your kind heart.

Let us help you find your perfect Volunteer Opportunity
